**Oberley, Thomas E.--\*CC Bank Vet.Memorial Bio- Thomas E. "Tom" Oberley was born 8  
September 1925 in Vanndale, Arkansas, the son of Ben and Martha Harrison Oberley.  
He grew up with one sister, Agnes, and one brother, Willie. He attended Public School at  
Vanndale. Tom volunteered for the Navy in 1942 (he was seventeen) and was assigned to  
the Naval Training Center, Great Lakes, Illinois. Following basic training, he volunteered  
for Submarine Duty and was assigned to the Submarine School at the Submarine Base,  
New London, Connecticut. After completing the course there, he was assigned to the  
submarine tender Howard Gilmore for duty in the South West Pacific. Following this  
assignment, he reported to the submarine USS Carbonero 337 for combat patrols against**

**Japanese supply ships in the Pacific. The USS Carbonero was credited with sinking eight Japanese cargo ships, thus preventing vital supplies from reaching their military forces. At the end of World War II, Tom was discharged and returned to Arkansas. After a brief period of readjustment to civilian life, Tom entered Arkansas State College (now University) as a freshman in the first post war academic class with several other returning veterans. With guidance from the Professor of Military Science, he, also, joined their Reserve Officer Training Program (ROTC) and was commissioned a Second Lieutenant of Field Artillery upon his graduation in 1949. His first Army duty post was to the U.S. Army European Command First Infantry Division Artillery for the next four years. When he returned to the States, he entered the Artillery School as an advanced student and after graduation remained at the Artillery School as an instructor on the Staff. His next assignments were: Battery Commander; Battalion Commander of the First Battalion, 19th Artillery, Fort Carson, Colorado; Command and General Staff College; Advisor to Royal Thai Army; University of Arkansas ROTC Staff and Faculty and his last duty was Professor of Military Science, Missouri State University, Springfield, Missouri. His career was highlighted by service in such mountainous areas as the Thai Himalayas, frontier Alaska (as operations officer during Exercises Polar Siege I and 11) and the Arkansas Ozarks. After thirty two years of active service to his country, he retired in 1975. He earned the Submarine Combat Badge (only one, or one of very few, Army officers); the Army Commendation Medal for his performance as an advisor to the Thai Army and the Oak Leaf Cluster to the Army Commendation Medal. Tom married Geraldine Wilcox and they have three children: Tommie Ann, Michael and Mary Catherine. Tom and Geraldine are enjoying retirement on the beautiful shore of Beaver Lake in Benton County, Arkansas. His post military occupations are cattle farming and building a home and his hobbies are hunting, fishing, boating and traveling. Tom has a grandson who carries on his tradition as a graduate of the U. S. Military Academy at West Point, New York. Tom writes, "My only regret is that I cannot start a new career and relive the many wonderful experiences that I was privileged to have in my thirty years plus in the service of this great country of ours."-Oberley, Thomas-age-18 Wilcox, Geraldine-age-19 Married-10/20/1943B-1546^CCHS**

**Phillips, Anderson-Bio-Anderson Phillips, one of the prominent colored farmers in Searcy Township, was born a slave of David H. Walker, of Carroll County, Mo., in 1843. His father, Carter Phillips, died in 1889. His mother at last accounts was in Nebraska. Mr. Walker had crossed the plains with his slaves, and left the mother of our subject in the West, and she never returned. After the Emancipation Proclamation, Anderson Phillips came north and joined the Federal army, and served until October, 1865, when he received his discharge, then coming to Phillips County, Ark., where he remained seven years. In 1874 he bought his present property, consisting of 240 acres in Cross County. He first purchased 660 acres, but has given a portion to his children, and now has 180 acres under cultivation. Mr. Phillips was married first in 1866 to Charlotte Smith, who died in 1874, leaving three children: G. A., James H. and Glenn A. (wife of Jeff Ham, a resident of this county). His second marriage was to Alice Ham (who was killed in a railroad accident in 1879). They became the parents of four children, all of whom are deceased. Mr. Phillips' present wife was formerly Martha E. Davis, whom he married in 1880. They have one boy, Anderson. Mr. and Mrs. Phillips are members of the Independent Order of the Immaculate, and are connected with the Baptist Church. The former is a strong Republican, and takes an active part in politics, having held the office of coroner of the county two times. --\*CC Archive**

**Proctor, Virginia Montgomery, Mrs. 24238088 b. Jun. 6, 1919 d. Jan. 19, 2008-Cogbill Cem.- SSDI d.Wynne-Tstone/ Picture/ Obit-Virginia Montgomery Proctor of Wynne, departed this life on the 29th day of January in Wynne. She was the widow of Herbert Everett Proctor. Born in Prescott on May 6, 1919, she lived her adult life in Wynne.Mrs. Proctor was active in aviation, becoming the first woman ever to serve on the Arkansas Aeronautics Commission and the first woman to serve as chairperson. She was appointed by Governor Dale Bumpers and re-appointed by Governor Bill Clinton. She held her private and commercial pilot's licenses and was rated as an instrument and multi-engine pilot and was a flight instructor. She was named to the Arkansas Aviation Hall of Fame in 2005. She was Governor of the Southeast Section of the 99's Inc., a women's flight organization, and flew in two air races, one across the United States and the other an international flight to the Bahamas. However, she thought her greatest accomplishment was that she was the pilot when each of her grandchildren had their first flight.Mrs. Proctor had also been active in the Crowley Ridge Country Club Women's Golf Association and won several championships. She accomplished the feat of making three holes in one. She and her husband traveled to various parts of the country enjoying their plane and playing golf.She was a member of Wynne Baptist Church and served in various capacities as a Sunday School Teacher, hospitality, Women on Missions, and other areas. She will be remembered for her love for Christ and her love for family and friends.She leaves three children and their wives, Douglas and Sandi Proctor of Alpharetta, Georgia, Judge Richard and Irene Proctor of Wynne, and Kenneth and Suzanne Proctor, also of Wynne. She had six grandchildren and eleven great-grandchildren who will miss their "Gina" very much.Services will be graveside, Thursday, at 10 AM at Cogbill Cemetery. Visitation will be Wednesday evening at Kernodle Funeral Home. Per Kim Thompson**

**Tstone-\***CC Bank Vet.Memorial Bio-James Harrell Quessenberry was born 5 August 1923 in Wynne, Arkansas, the son of Elkanah Abner and Bessie Lee Phillips Quessenberry. He was often called "Slick" and grew up with five brothers: Aaron, Roscoe, Ira, Gilbert and Marion and two sisters: Maggie Mae and Virginia Lee. He graduated from Wynne High School in 1941 and attended Northeast Louisiana Junior College at Monroe, Louisiana from 1942 to 1943. James' hobbies before entry into the service were gardening, drawing, painting and golf. James was inducted into the Navy 26 January 1943 at Little Rock, Arkansas. After three months of boot training at the San Diego Naval Training Station, he attended gunnery school at the Destroyer Base at San Diego. James was assigned to the USNR Armed Guards. The Armed Guards were utilized on troop transports and cargo ships for defense against enemy air and sea attacks. His unit of the Guard was required to take on cargo at Honolulu, Hawaii; Australia ports of Sydney, Brisbane, Townsville and Cairns; New Guinea ports of Milne Bay, Buna and Finchhaven; Manila, Philippine Islands; Neumia, New Caledonia; Chile ports of Antafagosto and Channeral; Buena Ventura, Columbia; Panama; Guantanamo Bay, Cuba; New York City, New York and Treasure Island, California. After taking on cargo, it was delivered where needed to various battle sites in the Asiatic-Pacific Theater. James participated in delivering cargo to the battle front positions then boarded converted troop ships that were utilized for returning casualties to the States. The Armed Guards earned their place in history by helping assure that the sea lanes were safe for shipping vital cargo and replacement troops. He was assigned to the Algiers Naval Air Station at New Orleans in 1945. His discharge process was started at the New Orleans Separation Center and finalized in November 1945 at Millington Naval Station, Tenn. While in the Navy, James married Ann Smith 14 January 1945 and they were the parents of one son, Jim, and two daughters, Rebecca and Beth. James engaged in farming in the Birdeye Community, Arkansas - raising soy beans, rice and wheat. In addition to farming, he enjoyed gardening, drawing, painting, and getting in a round of golf from time to time. James Harrel Quessenberry died 25 March 2004 and was buried in Cogbill Cem.in Wynne, Arkansas.
