

## Previous Changes:What's New:

- **March 2009 - We've been redecorated!**  
**Added some new family group sheets**  
**Added a cemetery map - still adding cemeteries**
- **Dec 2008 - Jason had to give up the management of Cross County so Gina is taking care of it temporarily.**
- **17 May 2008 - The Cross County Historical Society has compiled a Cross County Marriage Index on their website under the Records section.**
- **02 June 2007 - In the coming months, I will be transcribing all Cross County deaths listed in the Arkansas Death Record Indexes from 1914-1940. The Obituary Index will now be the Death/Obituary Index. This will serve the dual purpose of getting more information out there for everyone to use, as well as helping me not be so slow on Death Index lookups (and I heartily apologize to all those who have requested lookups and heard nary a peep from me).**
