

## 1940 Scott County Arkansas Census

ED 64-10, Waldron Town

Enumerated by Luney Black, April 2 - 29, 1940

**Note: This enumerator had fairly clear handwriting; his spelling was sometimes questionable and he listed many people who were known to be widows or widowers as single. At times he seemed to be confused about the question dealing with where the family had lived in 1935. I suspect he arbitrarily listed the head of household as the person giving the family's information when sometimes it was evident the information came from the wife.**
