This is a large, well-kept cemetery, located on California Street in Beebe. The first known list of burials here was prepared by the Beebe Extension Homemakers Club in May 1968. Recent updates have been made by Leroy "Lee" Blair, a member of the board of directors of the White County Historical Society. Some subsequent additions have been made by the Society based on published obituaries. During his first visit in October 2001, Blair found numerous unmarked graves and stones that had fallen off their base.

The cemetery was the scene of serious vandalism on January 3, 2003. The cemetery groundskeeper discovered that 65 to 80 grave markers had been pushed over, broken or otherwise damaged "in broad daylight." Most of the stones were subsequently repaired. Nearly a month later, a Beebe teenager was arrested and charged with felony desecration.

If you have corrections or additions to this list or other information on this Cemetery, Contact the White County Historical Society, P.O. Box 537, Searcy, AR 72145. Or phone 501- 278- 5010

Following is a list of all known Cemeteries in White County Arkansas, Also included are Cemeteries in other counties that are near the White County Line that may have people from White County buried there.

Most of the cemetery information listed was collected by Leroy “Lee” Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office

If you have any additions or corrections to the burial listing please contact the Historical Society Phone 501-278-5010 or Email me at lblblair74@gmail.com or wchs1962@gmail.com

At the end of the cemetery list s a list of people from White County that have died that do not have cemetery listed or they are buried in a cemetery that we do not keep records on.

I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953 as I look at them if I find a death of a person that we do not have I will to add to the cemetery listings.

There are some graves listed as unmarked that may have had a tombstone set since the listing was made.

I may have missed some graves when I done the listing, Some cemeteries are very hard to get good listing due to how some graves are scattered

The following Abbreviations are used in the listings.

FM – Funeral home marker

DS – Double tombstone

TS – Triple tombstone

The word (Obit) means that the Historical Society has or has access to the Obituary for this person.
