This cemetery was recorded February 26, 2001, by Leroy Blair of the White County Historical Society. He and his wife Ellen were following up on information obtained by two other Society members, president Bill Leach and author Scott Akridge. Blair provided the following directions to reach the site: "From Denmark take Highway 167 north about two miles to Scoggins Road and turn right. Go about a mile to Jackson County road #6 and turn left. The cemetery is located about one-tenth of a mile up road #6 on the left about 100 yards, back in a pasture field in a grove of trees. The stone can be seen under the trees. I was welcomed to the cemetery by about 100 hungry young cattle."

Blair found only one grave that was marked with a stone:

"There are several graves marked by rocks and also several depressions that are probably graves with no markings. There are a lot of rocks piled by the grave of Emma Catherine Buckheiser. I was told by a local resident that these were stones that had been removed from other graves."

Most of the cemetery information listed was collected by Leroy "Lee" Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office

If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at lblblair74@gmail.com or wchs1962@gmail.com

I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.

There are some graves listed as unmarked that may have had a tombstone set since the listing was made.

I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered

The following Abbreviations are used in the listings.

FM-Funeral home marker DS-Double tombstone TS-Triple tombstone

(Obit)-means that the Historical Society has, or has access to the Obituary for this person.
