**Located about two miles from Russell, this cemetery existed before the Civil War. It was first surveyed by the Bradford Extension Homemaker's Club in 1968. The list was updated March 2000, by Tommy H. Treadway of the White County Historical Society, then again by Leroy Blair of the Society in October 2001 and late 2002. To reach the cemetery, Blair recommends this route: From Russell, take Highway 367 north about a mile to Brown Road . Turn left on Brown and go four/tenths of a mile to Carter Cemetery Road , then turn right. The entrance to the cemetery is about 150 feet down this road.**

**Blair, who added 239 names to the list, reported "This is a very difficult cemetery to list because the graves are scattered and very few are in rows. My guess is that there are hundreds and hundreds of unmarked graves here. There are a lot of mounds and depressions in the older part of the cemetery that indicate old graves."**

**If you have corrections or additions to this list or other information on this Cemetery, Contact the White County Historical Society, P.O. Box 537, Searcy, AR 72145. Or phone 501- 278- 5010**

**Most of the cemetery information listed was collected by Leroy “Lee” Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office**

**If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at [lblblair74@gmail.com](mailto:lblblair74@gmail.com) or [wchs1962@gmail.com](mailto:wchs1962@gmail.com)**

**I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.**

**There are some graves listed as unmarked that may have had a tombstone set since the listing was made.**

**I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered**

**The following Abbreviations are used in the listings.**

**FM-Funeral home marker DS-Double tombstone TS-Triple tombstone**

**(Obit)-means that the Historical Society has, or has access to the Obituary for this person.**
