This cemetery is located at the former site of the old Center Hill Presbyterian Church. There was no building here when the cemetery was listed May 12, 1970, by Cloie and Leister Presley of the White County Historical Society. The husband/wife team reported seeing several unmarked graves. "The cemetery is well kept," they wrote, "but there are several large clumps of honeysuckle and it is likely that there are some graves under those." Tommy H. Treadway of the Historical Society visited the cemetery March 8, 2000, and updated the records based on the stones he saw. He made 78 additions to the Presley list and a few minor adjustments. He reported the cemetery was "clean" and noted that burials were being made in a new section on the north side. Historical Society member Leroy Blair visited the cemetery September 12, 2000 and provided information on names that were found on double stones. He also found 29 graves marked only with rocks and other graves that were not marked at all. Additions have been made to the list by the Historical Society periodically from published obituaries.

Most of the cemetery information listed was collected by Leroy “Lee” Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office

If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at lblblair74@gmail.com or wchs1962@gmail.com

I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.

There are some graves listed as unmarked that may have had a tombstone set since the listing was made.

I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered

The following Abbreviations are used in the listings.

FM-Funeral home marker DS-Double tombstone TS-Triple tombstone

(Obit)-means that the Historical Society has, or has access to the Obituary for this person.
