I visited this cemetery five times during the month of January 2006 to make a list of who is buried here. I made the list for the White County Historical Society. My reason for doing the list is the large number of people from White County who are buried in this cemetery. This is a very large cemetery located on the east side of Highway 367 north of Bradford in southern Jackson County. It has about 1300 marked graves, and there appear to be several hundred that are unmarked.

If you have corrections or additions to this list or other information on this Cemetery, Contact the White County Historical Society, P.O. Box 537, Searcy, AR 72145. Or phone 501- 278- 5010

**Most of the cemetery information listed was collected by Leroy “Lee” Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office**

**If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at [lblblair74@gmail.com](mailto:lblblair74@gmail.com) or [wchs1962@gmail.com](mailto:wchs1962@gmail.com)**

**I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.**

**There are some graves listed as unmarked that may have had a tombstone set since the listing was made.**

**I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered**

**The following Abbreviations are used in the listings.**

**FM-Funeral home marker DS-Double tombstone TS-Triple tombstone**

**(Obit)-means that the Historical Society has, or has access to the Obituary for this person.**
