Leroy Blair listed this cemetery for the White County Historical Society on February 18, 2002. It is located in a field about 100 yards behind the Baptist Church at Denmark. Blair found it fenced and "well cared for." Although this site is located in Jackson County, the Society prepared this inventory because many White County residents are buried here. Blair, chairman of the Society's cemetery committee, returned to this site on December 31, 2004, and rechecked the names and dates on tombstones, updating and adjusting the list below.

Most of the cemetery information listed was collected by Leroy “Lee” Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office

If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at lblblair74@gmail.com or wchs1962@gmail.com

I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.

There are some graves listed as unmarked that may have had a tombstone set since the listing was made.

I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered

The following Abbreviations are used in the listings.

FM-Funeral home marker DS-Double tombstone TS-Triple tombstone

(Obit)-means that the Historical Society has, or has access to the Obituary for this person.
