**This family cemetery was first reported in June 2000 by Pearl Elliott for the White County Historical Society. "A friend of our family passed away and was buried there about two years ago," she explained. "The cemetery was started by a family by the name of Dennis, some still believed living at Higginson. The cemetery is located right in the middle of a hay field about two miles down Stringham Road. There is a row of houses and trailers on the right and the cemetery is back behind the woods that are behind the houses. It can't be seen from the road. There is a chain link fence all around, probably 24 by 30 feet, very small and it is kept clean." She provided her list from tombstones seen in the cemetery. Additional information was provided by WCHS member Leroy Blair who visited the cemetery October 23, 2000. Blair returned to the cemetery in 2002 and provided the following directions to reach it: "From Higginson, take Highway 11 south to Sears Roebuck Road. Turn right and go about a half-mile to where Stringham Road turns left. Turn left and go to 408 Stringham Road, about a half-mile. The cemetery is about 400 yards back in a soybean field behind 408 Stringham Road. It cannot be seen from the road."**

**I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.**

**There are some graves listed as unmarked that may have had a tombstone set since the listing was made.**

**I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered**

**The following Abbreviations are used in the listings.**

**FM-Funeral home marker DS-Double tombstone TS-Triple tombstone**

**(Obit)-means that the Historical Society has, or has access to the Obituary for this person.**
