**This cemetery is located south of Griffithville near Dogwood Methodist Church. To reach the cemetery from Griffithville, at the junction of Highways 11 and 385, take McDonnell Road south for approximately two miles to Fletcher Ellis Road, then turn right and go about a half-mile to Dogwood Church Road. Turn left and go about a half-mile to the church. The cemetery is located behind the road. The newer sections are across the road from the church.**

**A listing was prepared in March 2000 by Tommy H. Treadway of the White County Historical Society. He found the cemetery “well kept and mowed.”**

**Leroy Blair, another Historical Society member, visited the cemetery October 24, 2000, and again in late 2002, adding several names and additional information to the list.**

**Following his return on January 26, 2007, he prepared a new list. “This time I compared the entire old list with how the cemetery is now,” he reported “I was unable to find several of the names that were on one or more of the old lists. I may have simply missed them. These are noted in the list.”**

**Blair also prepared this map showing sections and rows, and added this information to the list to make it easier to locate graves. He noted, “This is just a general idea – because some of the rows do not run straight and some do not go all the way across the cemetery. Row #1 is a short row next to the road on the north side of the church. Section A and Section B are across the road from the church.”**

**Most of the cemetery information listed was collected by Leroy “Lee” Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office**

**If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at [lblblair74@gmail.com](mailto:lblblair74@gmail.com) or [wchs1962@gmail.com](mailto:wchs1962@gmail.com)**

**I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.**

**There are some graves listed as unmarked that may have had a tombstone set since the listing was made.**

**I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered**

**The following Abbreviations are used in the listings.**

**FM-Funeral home marker DS-Double tombstone TS-Triple tombstone**

**(Obit)-means that the Historical Society has, or has access to the Obituary for this person.**
