**This old cemetery is located five miles south of Higginson on the west side of Highway 11, just beyond the Ellis Chapel Methodist Church, which located here in 1914. It originally was named Glade Creek Cemetery, and has also been known as Goodwin Cemetery because it was established on land donated by the Goodwin family. A former resident of this area told the White County Historical Society in 2007 that the first burial here was “a little Ellis girl” in an unmarked grave on the side of the creek opposite**

from the cemetery. The cemetery's earliest tombstone, dated 1876, marks the grave of Keren Owen, who was related to the Goodwins. Three rocks beneath the large tree in the cemetery bear the initials of Goodwins.

In July 1968, the White County Historical Society's first listing of burials was prepared by Bill Leach, who would later serve as president and preservation chair. Thirty-two years later the list was updated by Pearl Elliott, who grew up "close enough to the church to hear the bell ring on Sunday mornings."

Subsequent updates were prepared by Lee Blair, Historical Society board member, who at year-end 2006 added row numbers to make it easier to locate graves. However, he noted that some of the rows do not run straight or go all the way through the cemetery, and some stones are so worn they are no longer readable. He also added a list of people he thinks might be buried here in unmarked graves. He pointed out that any U.S. veteran buried here in an unmarked grave is probably eligible for a free military headstone from the federal government. A list of known veterans here has been added.

**Most of the cemetery information listed was collected by Leroy “Lee” Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office**

**If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at [lblblair74@gmail.com](mailto:lblblair74@gmail.com) or [wchs1962@gmail.com](mailto:wchs1962@gmail.com)**

**I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.**

**There are some graves listed as unmarked that may have had a tombstone set since the listing was made.**

**I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered**

**The following Abbreviations are used in the listings.**

**FM-Funeral home marker DS-Double tombstone TS-Triple tombstone**

**(Obit)-means that the Historical Society has, or has access to the Obituary for this person.**
