**This cemetery is located on Judson Avenue, within view of the Judsonia School campus. Four Senior Girl Scouts at this school - Tara Benton, Samantha Schmidt, Amber Witt and Angela Witt - fostered an interest that grew into a service project in 1999. From the campus they had seen the traffic of funerals and occasional visitors to Evergreen and had developed the idea to prepare a comprehensive census of the cemetery. The Senior Girl Scouts wanted to make research easier for descendents of those buried here. At the same time, they hoped to help the Evergreen Cemetery Board in raising funds for the upkeep of the cemetery. The completion of their mission would help them achieve their "Girl Scout Gold Award," the highest distinction in the Girl Scout organization. Under the guidance of advisors including White County Historical Society member Mary Spurlock, Wilda Gibson, Carol Witt, Dian Schmidt and Paula Benton, the young women worked the areas and blocks which they had volunteered to complete. Some had relatives or acquaintances buried here. After hours of writing or rubbing to get names and dates, there was alphabetizing, typing, printing and organizing to be done. The Girl Scouts researched the information on the GAR monument in the cemetery, learning that the wounds of 1864 had healed by the time the monument was unveiled 30 years later. In 1894, the strong Judsonia post of the Grand Army of the Republic purchased the memorial and had it set in place in Evergreen Cemetery. On the day of its dedication, two daughters of Federal soldiers, Ethel Newman and Carly Kinney, and two daughters of Confederate soldiers, Nell Young and Laura Hanson, pulled the strings that removed the curtain from the shaft. The crowd included many veterans of both the Blue and the Gray, and there was no resentment to be seen or heard when they read the inscription, "In Memory of the Defenders of the Union, 1861-1865."**

**The dark-gray stone with its cannon-ball top is one of the most unusual monuments in Arkansas. At the time of its dedication it was the only GAR memorial south of the Mason-Dixon line, and it is probable that it still holds this distinction. Around it are 16 graves of Union soldiers, who were buried there after the monument was erected. It is sometimes erroneously reported that these men were killed in battle. In truth, they were without families or burial lots and died within a few years after 1894. "These Girl Scouts will always remember this unique incident in White County history," Mary Spurlock said. "As they drive down Judson Avenue by the monument, it will be more than just a statue in the cemetery."**

**Another memorable experience came when they noticed the many graves bearing the date of March 21, 1952. Not quite 12 years old at the time, Mary Spurlock had ridden out the storm and could give a first-hand account of the worst tornado in Arkansas history. Her brother was dressed and ready to attend the Junior-Senior Banquet, but his mother kept telling him to wait till the rain and wind let up. "Instead, the rain got heavier as the roof left the house," Mary recalled, "and we all scrambled to get under the bed, but there was water under there, too." The events that unfolded in the next few hours were unbelievable as the family made their way down the road, around fallen trees and pieces of tin, to help their neighbors. In the days to follow there was plenty of sadness for everyone in this small community. By Monday after the storm the Evergreen Cemetery had been cleared sufficiently of huge fallen trees and other debris to hold a mass funeral for 11 of the 44 storm victims. The four Judsonia Senior Girl Scouts and their consultants spent several hours searching for the location of the tornado victims. The Scouts were shocked as they realized the ages and how many families and friends were affected.**

**The Scouts learned from W.E. Orr's book "That's Judsonia" that the first cemetery had been located at the northern end of Harrison Street, a site that was low and unfavorable. The Judson University holdings along Judson Avenue -(now the site of the Judsonia Junior High School) had been bought with money furnished by W. N. Briggs. In 1874 he released the mortgage on three lots in order**

that a new burial ground might be formed. Thus, Evergreen Cemetery had its beginnings, and its first graves were for those remains removed from the original site. The first grave in Evergreen Cemetery was that of Nellie Briggs, W.N. Briggs daughter, who died in 1873. Many of the graves were never opened in the old burial ground, and all traces of them disappeared years ago. The Evergreen project was finally finished by the Girl Scouts in late 1999, when they presented the following information to the White County Historical Society, so that it may be placed at [www.whitecounty.us](http://www.whitecounty.us) on the world-wide web. Thus, by encouraging awareness of family history, the Girl Scouts practiced leadership skills and personal values together to serve their country, community, families and friends.

**The Evergreen Scouts receive their Gold Awards: Scouts are (from left) Tara Benton, being pinned by Tony Benton; Amber Witt, being pinned by Carol Witt; Angela Witt, being pinned by Mike Witt.**

**The “Girl Scout Gold Award” project called for each Girl Scout to spend 50 hours working on the project. The Scouts continued to search and study long after this minimum requirement was fulfilled. Some of the Scouts’ comments that Mary Spurlock recorded included: “How sad that there are many family members who don’t have tombstones.” “How sad that there are so many little ones or babies.” “I will always remember my family and place flowers on their graves and donate to the upkeep fund, I want their graves mowed and kept pretty.” “Young people don’t think about burial plots, but they should.” “Just look at the many markers that don’t have death dates on them, why didn’t the family have it placed on after their death.” “I am proud we have learned about where the upkeep money comes from and how it is spent; every family should make a donation each year; the size of the donation is not important it’s the thought.”**

**Leroy Blair of the White County Historical Society visited the cemetery several times from November 2000 to January 2001 and provided several pages of updated information. Updates were also made by Mary Spurlock in February 2002 and December 2002. Leroy Blair also provided additional information in late December 2002. Subsequent additions were made by the Historical Society based on published obituaries. The original document prepared by the Senior Girl Scouts was divided into areas A through K. When Eddie Best of the Historical Society incorporated all updated information in February 2002, the lists were combined and alphabetized for easier reading. The burial site area -(A through K) is indicated in parenthesis beside each name. A copy of the original document prepared by the Senior Girl Scouts may be found in the Arkansas Room of the Searcy public library. The Senior Girl Scouts and their advisors met and completed Area E as a learning experience in an all-day meeting, the following assignments were made: Angela Witt - Areas A, D and G; Amber Witt - B, F, J and K; Tara Benton - H and I.**

**Most of the cemetery information listed was collected by Leroy “Lee” Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office**

**If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at [lblblair74@gmail.com](mailto:lblblair74@gmail.com) or [wchs1962@gmail.com](mailto:wchs1962@gmail.com)**

**I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.**

**There are some graves listed as unmarked that may have had a tombstone set since the listing was made.**

**I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered**

**The following Abbreviations are used in the listings.**

**FM-Funeral home marker DS-Double tombstone TS-Triple tombstone**

**(Obit)-means that the Historical Society has, or has access to the Obituary for this person.**
