This cemetery is located in Section 33, Township 7 North, Range 9 West. This is on Church Road, near the intersection of Highway 305 South and Highway 31. The cemetery is beside the Floyd Assembly of God Church and can be seen from Highway 31. Floyd Cemetery, also known as "Old Floyd" since the New Floyd Cemetery was established, was listed originally in 1966 by the Floyd Extension Homemakers Club. In 1997, researcher Mitzi Hitchcock added 13 Quattlebaum names and three Stracener names to the list. Then this site was re-surveyed April-July 2000 by Shelly and Wyatt Keech and Jerry and Teddy Gaylor Wyatt for the White County Historical Society. All names from the original list 34 years earlier were included, although some of the stones or funeral home markers are now gone. The list was updated again by Leroy Blair of the Historical Society after he and his wife Ellen visited the cemetery May 14, 2001.

Jesse Levi Akin, born January 17, 1811, was killed December 5, 1865, by bushwhackers and became the first person buried in the Floyd Cemetery. [White County Heritage 1976, p. 29.] His grave had been unmarked, but was marked with a double stone when Blair did his 2001 report. Shelly Keech reported seeing numerous unmarked graves during the 2000 survey. Also, she noted, "The area adjoining the cemetery was the Floyd ball park at one time and the building beside the cemetery is the old cafeteria from the past Floyd School District."

**Most of the cemetery information listed was collected by Leroy "Lee" Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office**

**If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at [lblblair74@gmail.com](mailto:lblblair74@gmail.com) or [wchs1962@gmail.com](mailto:wchs1962@gmail.com)**

**I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.**

**There are some graves listed as unmarked that may have had a tombstone set since the listing was made.**

**I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered**

**The following Abbreviations are used in the listings.**

**FM-Funeral home marker DS-Double tombstone TS-Triple tombstone**

**(Obit)-means that the Historical Society has, or has access to the Obituary for this person.**
