This cemetery is located about six miles north of Judsonia off Highway 323. It was originally listed by Cloie and Leister Presley of the White County Historical Society March 22, 1975. Some additions were made in 1999 by the Society with the assistance of relatives of those buried here. The Fredonia records were updated by Historical Society member Leroy Blair after he visited the cemetery November 27 and 28, 2000. (See OLD SLAVE CEMETERY for related information.) Blair added more than 200 names and other information to the list. More recent burials were added by the Society annually based on published obituaries. Fredonia Cemetery is the final resting place for many of the earliest settlers of a that was known as Stevens Creek and was later renamed Holly Grove. Persons interred here include early founders, judges, prominent citizens, businessmen, farmers, servicemen and other early members of the community. The site was added to the National Register of Historic Places in 2007

Fredonia Cemetery has also been called Holly Grove Cemetery. The 1975 report was published as Stevens Creek Cemetery in the Historical Society's White County Heritage that year. But in later years the Presleys changed the title of their report to Fredonia Cemetery. They reported in 1975 that the cemetery "is very well kept and there are a number of unmarked graves."

Following are Blair's directions on how to find the cemetery: "From Judsonia take Highway 323 north to Highway 258. Turn right on 258 and go about 100 yards. Turn left on Stanley Road and follow it to Honeysuckle Road. Turn left and go about a tenth of a mile. Turn right on Fredonia Road to reach the cemetery." Blair was unable to find 58 graves that were on the original list. "Most of the missing were on aluminum markers," he reported. "The Presleys made a statement in their original report from March 22, 1975, that these aluminum markers would not last long. They were correct." Following are the 58 names he could not find: Elsie Arnold (BB49), Helen Ava Bandle (M107), Lee Barker (M116), Viola Barker (M120), Harold D. Blaylock (M172), Mary Blaylock (M174), Twin Blaylock (M175 and M176), Virgil Blaylock (M177), Jesse O. Bohley (M192), Boyd Bone (BB28), Ella Bone (M147), Maude Bone (M148), Roger Burton (BR13), Mary Cox (M339), Mary Alice Edwards (BB27), Lucy C. Fairless (M108), Opie E. Fisher (BR1), Horton (BR11), J.H. Jones (M400), Minnie Jones (M399), Thomas Henry Keeling (M249), Catherine King (M129), Nellie L. King (M128), Robert H. King (M130), Landis infant (M164), Leasure infant (M200), Golden Leonard (416), Manley (M359), Manley (M360), Manley (M371), Stella Ann Manley (M357), Martha McAdams (M247), McDougle infants (M64 and M65), Lizzie Molloy (M59), John Marvin Overstreet (M217), Suda Pendergrass (M318), Albert Wenzel Roushall (M110), Laura Smith (M58), Virgil Smith (M342), Charles F. Spence (M379), Fowler Spence, Eliza Sterling (M127), Leslie L. Stevenson (M250), Luther L. Stevenson (M251), Mary Stevenson (M252), Charles W. Thompson (M272), Flora Thompson (M271), Thompson infants (BR6 and M270), Richard L. Thompson (M269), Thomas Jefferson Turner (BR16), James L. Watson (BR14), Watson infant (BR15), Jason Wilcox (M242), Woodall (M98), Roy C. Wright (BR5), unknown (BR9).

Blair reported seeing more than 300 graves that were each marked with a small cement block that is even with the ground. There are no markings on them. Mrs. Katheryn Overstreet, who with her husband Clarence were the caretakers of this cemetery, told Blair that when the small aluminum markers were no longer good Clarence replaced them with the small cement markers to make mowing easier.

The Presleys' original records were divided under these listings: "Below Road" ... "Back behind the road" ... "Main part of the cemetery." Each gravesite was numbered but the numbering system was not explained; perhaps in sequence by rows. The following lists indicate the area and original number in parenthesis / BR for Below Road, BSR for Below Second Road, BB for Back behind road, M for main part of cemetery.

The Fredonia Cemetery Association of the Holly Grove is seeking donations to help maintain the cemetery. Checks may be made payable to Fredonia Cemetery Association and sent to secretary-treasurer Robert D. Shaver at 146 Opie Road, Bald Knob, AR 72010 or deposited in the account at Citizens State Bank in Bald Knob. For more information on the annual fund drive, Shaver may be contacted at 501 724-3930.

Most of the cemetery information listed was collected by Leroy “Lee” Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office

If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at lblblair74@gmail.com or wchs1962@gmail.com

I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.

There are some graves listed as unmarked that may have had a tombstone set since the listing was made.

I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered

The following Abbreviations are used in the listings.

FM-Funeral home marker DS-Double tombstone TS-Triple tombstone

(Obit)-means that the Historical Society has, or has access to the Obituary for this person.
