This old family burial site was recorded in October 2004 by Leroy Blair, a board member of the White County Historical Society, who prepared the following report:

"Mr. Froud told my wife Ellen about this old cemetery during the White County Fair and asked her to have me come by his home and he would take me to it. When I went by his house, he said he had owned the property for more than 60 years but it had been in his family for more than 100 years, and the cemetery was there before his family got the land.

"The cemetery is located on the right side of Highway 157. As you go north it is about 200 yards back in the pasture field under some trees. There appear to be five graves marked with rocks. At one time one or two of the graves have been covered with stacked rocks. There are no names on the rocks. The graves are located at the edge of an old road. Mr. Froud thinks it might be the Batesville-Little Rock Road. He has no idea who is buried in the graves, but believes it is a family cemetery."

If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at lblblair74@gmail.com or wchs1962@gmail.com

I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.

There are some graves listed as unmarked that may have had a tombstone set since the listing was made.

I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered

The following Abbreviations are used in the listings.

FM-Funeral home marker DS-Double tombstone TS-Triple tombstone

(Obit)-means that the Historical Society has, or has access to the Obituary for this person.
