**This pioneer graveyard is very clean and easily found in the historic of Georgetown on the White River 12 miles southeast of Searcy. A burial list maintained for many years by local historians was updated by White County Historical Society member Leroy Blair after he and his wife Ellen visited the cemetery March 2, 2001. They added approximately 30 names to the list. Pauline "Polly" Cleaver of Georgetown, who had participated in two earlier reports on the cemetery, accompanied the Blairs. In 1999 Pauline and her husband Sam updated a list that they had compiled 17 years earlier with the assistance of Pearl Johnson. Pearl was a local midwife who according to Mrs. Cleaver knew "a lot of people and a lot of history." Pauline Cleaver noted that the Georgetown Cemetery was used for burials when floods from the White River prevented town members from reaching the Nelson Cemetery a mile and a half away. Leroy Blair was unable to find the following graves that were on the old list: Carl Adam Bell, Mary Louise Ditto, Arthur Hurleys, Luther Doyle Johnson, William Roy Kidd, John E. Miles, Rogers infant, J.H. Ryan, Jim Sharkey, Lydie Sharkey, Webster Sharkey, Lellie Western. (See NELSON/Old Nigger Hill CEMETERY.) Leroy Blair returned to the cemetery February 4, 2005, and added four names to the list.**

**Most of the cemetery information listed was collected by Leroy “Lee” Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office**

**If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at [lblblair74@gmail.com](mailto:lblblair74@gmail.com) or [wchs1962@gmail.com](mailto:wchs1962@gmail.com)**

**I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.**

**There are some graves listed as unmarked that may have had a tombstone set since the listing was made.**

**I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered**

**The following Abbreviations are used in the listings.**

**FM-Funeral home marker DS-Double tombstone TS-Triple tombstone**

**(Obit)-means that the Historical Society has, or has access to the Obituary for this person.**
