**This cemetery was originally listed March 26, 1966, by Cloie and Leister Presley of the White County Historical Society. The cemetery is located at Gravel Hill in Section 17, Township 7 North, Range 9 West. According to an inscription on their stone in the cemetery, John D. and Rilla Carson Gray donated one acre of land in 1907 to establish Gray Cemetery. The Presleys counted 164 unmarked graves. A number in parenthesis refers to the position on the original Presley list, which has been alphabetized for convenience. The Presley list was prepared for the Internet in 1999 by Dale Thomas of Porterville, CA. Thirty-four years after the Presley survey, Leroy Blair of the Historical Society visited the cemetery October 22 and 23, 2000, and updated the list. He added 147 names and found 172 other graves that were marked only with rocks or old funeral home markers that were no longer legible. He also counted 14 mounds or depressions that appeared to be graves with no markings at all.**

**Most of the cemetery information listed was collected by Leroy "Lee" Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office**

**If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at [lblblair74@gmail.com](mailto:lblblair74@gmail.com) or [wchs1962@gmail.com](mailto:wchs1962@gmail.com)**

**I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.**

**There are some graves listed as unmarked that may have had a tombstone set since the listing was made.**

**I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered**

**The following Abbreviations are used in the listings.**

**FM-Funeral home marker DS-Double tombstone TS-Triple tombstone**

**(Obit)-means that the Historical Society has, or has access to the Obituary for this person.**
