This cemetery is located just off (east) of Highway 5, less than a half-mile south of the intersection of Highway 5 and Highway 64, in Section 33, Township 6 North, Range 10 West. It was listed May 10, 1975 by Cloie and Leister E. Presley and Imogene Rowe of the White County Historical Society. Gerald Torrence of the Society photographed the cemetery and updated the listing in the summer of 2001. Leroy Blair, another Society member, visited the cemetery several times in 2002 and added 131 names to the list. He also counted 579 concrete blocks that had been placed next to old field rocks or alone; he said a cemetery worker told him the blocks marked graves but the identities are unknown.

According to the Grissard Cemetery Association, "In 1840, Mr. Henry Grissard donated land to the for a cemetery, thus the name 'Grissard Cemetery' after its donor. In the early '70s, Mr. J.C. Pool and Rev. Ernest Anderson canvassed all the families they could contact who had relatives interred here, asking each family to contribute \$500 toward the perpetual care of the cemetery. In 1975 the cemetery acquired two acres west of the existing cemetery at which time a corporation was formed to provide orderly care and maintenance of the cemetery." Donations for the upkeep of Grissard Cemetery may be sent to Grissard Cemetery Corporation, P.O. Box 59, El Paso, AR 72045. This organization has a list showing specific locations of gravesites.

This cemetery is the final resting place for members of the Otho Pool family who died in a tornado that struck El Paso on Sunday, April 18, 1880. Killed were Martha Pool and her children William, 6; Caleb, 2, and Elbert, 4 months. The storm struck about 9 p.m., destroying homes and carrying away the Pool family members. The mother was found with the baby Elbert still in her arms; William's body was found three-quarters of a mile away. Otho Pool was badly injured but he and another daughter, Martha, survived. A year later, Otho Pool committed suicide. His employer Caleb Warren became guardian of Martha Pool, who years later attended Ouachita College in Arkadelphia.

Most of the cemetery information listed was collected by Leroy "Lee" Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office

If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at lblblair74@gmail.com or wchs1962@gmail.com

I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.

There are some graves listed as unmarked that may have had a tombstone set since the listing was made.

I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered

The following Abbreviations are used in the listings.

FM-Funeral home marker DS-Double tombstone TS-Triple tombstone

(Obit)-means that the Historical Society has, or has access to the Obituary for this person.
