**Arkansas Archeological Survey site #: 3WH0444**

**Number of Marked Graves: About 1080**

**Number of Unmarked Graves: Unknown**

**The last complete survey of this cemetery was: September 10, 2001 By Leroy Blair.**

**There has been Obituaries that were printed in the newspaper posted since the last survey was made.**

**Current status of cemetery: Active.**

**Point of contact for cemetery. E.J. Dunham 501-344-2392.**

**This cemetery is located about 1 1/2 miles west of Bradford on Velvet Ridge Road. Take Arkansas Hwy 87 West from Bradford to Velvet Ridge Road, turn left on Velvet Ridge Road and go about one-half mile. The cemetery is on the right side (north) of the road. Heard Cemetery was surveyed June 2, 2000, by Tommy H. Treadway of the White County Historical Society, a former Searcy postmaster who updated some 20 cemetery lists in 2000. He reported the cemetery “is well kept, mowed regularly and has but a few apparent gravesites marked with rock; only three or four headstones were loose on their bases.” The cemetery had been surveyed in 1968 by the Bradford Homemaker’s Extension Club and that original list was compared to Treadway’s update. He was unable to find markers for 53 graves that were listed 32 years earlier. Treadway also reported, “E.J. Dunham is the caretaker and a check with him revealed he had no records except in very recent years when they began charging for burial plots. 2 or 3 stones were broken into parts. 2 or 3 headstones were buried such that the dates of birth or death could not be read. These possibly had become detached from their bases and were erected in the ground without bases. About a dozen apparent gravesites were marked by rocks, which is very small for an old cemetery with approximately 1,000 sites.”**

**Leroy Blair of the Historical Society visited the cemetery September 10, 2001, and recorded 48 graves and other details that were not on the existing list. He reported the cemetery is “very clean and well cared for.” He noted seeing about 45 rocks painted white that were probably grave markers. Blair was unable to find the following graves that were on the existing list:**

**Most of the cemetery information listed was collected by Leroy “Lee” Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office on the square in Searcy. WCHS P. O. Box 537 Searcy, Ark. 72145.**

**If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at [lblblair74@gmail.com](mailto:lblblair74@gmail.com) or [wchs1962@gmail.com](mailto:wchs1962@gmail.com)**

**I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.**

**There are some graves listed as unmarked that may have had a tombstone set since the listing was made.**

**I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered**

**The following Abbreviations are used in the listings.**

**FM-Funeral home marker DS-Double tombstone TS-Triple tombstone**

**(Obit)-means that the Historical Society has, or has access to the Obituary for this person.**
