This cemetery is located in Section 10, Range 7 West, Township 8 North. It was originally listed as Castleberry Cemetery October 31, 1965, by Cloie and Leister Presley of the White County Historical Society and published in White County Heritage, the Society's annual history, in 1971.

Historical Society member Leroy Blair updated the list in 2000, finding 84 graves that were not on the Presley list. Blair noted this cemetery now has a sign "Holly Springs Cemetery" above the gate. Leister Presley told former Historical Society president Eddie Best in June 2002 that "The cemetery was called Castleberry when we listed it in 1965; we were familiar with it; Cloie has a relative buried here." There are many Castleberrys here, including a burial as early as 1905. To reach the Cemetery according to the Presley report, "Leave Highway 16 at Snowden's Store at Albion and travel east about 2 ½ miles, turn south for about ¾ mile then east again about ½ mile."

Blair gave these directions: "To get to this cemetery from Searcy take Highway 16 north to Fairview Road. Go up Fairview about 4.5 miles to Rambo Road. Turn right and go about a quarter-mile. The cemetery is on the left. I found seven stones with no markings. There is a small grave that is enclosed with rocks about 2½ feet high, 4 feet long and 3 feet wide and filled with dirt. It has a funeral home marker but you cannot read anything on it. There appear to be several unmarked graves. This cemetery is very clean. I did not find the following graves from the old list – Anna Mae Callison, Beverly Franklin Fuller, Dallas May, Mamie Ruth May and James Leroy May."

The Presleys numbered, rather than alphabetized, their list. The grave site number from their list is shown in parenthesis below. They also reported they found about 75 unmarked graves. A nearby, older graveyard was known as Holly Springs Cemetery in 1962, according to Leister Presley. [See Old Holly Springs/Union Hill Cemetery.]

Most of the cemetery information listed was collected by Leroy “Lee” Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office on the square in Searcy. WCHS P. O. Box 537 Searcy, Ark. 72145.

If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at lblblair74@gmail.com or wchs1962@gmail.com

I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.

There are some graves listed as unmarked that may have had a tombstone set since the listing was made.

I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered

The following Abbreviations are used in the listings.

FM-Funeral home marker DS-Double tombstone TS-Triple tombstone

(Obit)-means that the Historical Society has, or has access to the Obituary for this person.
