This cemetery is located beside the old Honey Hill Christian Union Church in west Searcy. To reach it, take Highway 36 west from Searcy approximately three miles to Honey Hill Road. Turn left (south) and continue approximately a mile to the top of Honey Hill, where the cemetery is on the left by the church. Leister E. Presley of Searcy first listed this cemetery for the White County Historical Society on November 17, 1983. He listed 91 names. An update was prepared October 11, 2000, by Historical Society member Leroy Blair. Blair reported the cemetery "nice and clean and fenced in." He did not find any unmarked graves. The Society has added subsequent burials based on published obituaries. Blair was chairman of the Historical Society cemetery committee and a member of the board when he returned to this site on January 24, 2005. He checked every tombstone, added 19 names to the burial list and made other adjustments. He reported there are now two unmarked graves in the cemetery.

Legend: Copyright-Aug.23, 2016-Paul V. Isbell-Webmaster:

Most of the cemetery information listed was collected by Leroy “Lee” Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office on the square in Searcy. WCHS P. O. Box 537 Searcy, Ark. 72145.

If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at lblblair74@gmail.com or wchs1962@gmail.com

I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.

There are some graves listed as unmarked that may have had a tombstone set since the listing was made.

I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered

The following Abbreviations are used in the listings.

FM-Funeral home marker DS-Double tombstone TS-Triple tombstone

(Obit)-means that the Historical Society has, or has access to the Obituary for this person.
