Kensett Cemetery is the final resting place for former U.S. Congressman Wilbur D. Mills, once one of the most powerful men in America. Mr. Mills was born at Kensett in 1909, served as judge from 1934 38, then as U.S. Representative from 1939 77 and was a candidate for Democratic nomination for President in 1972. Note the separate listing for Old Kensett Cemetery which is located to the left of Kensett Cemetery just inside the entrance.

This cemetery is located in the south part of Kensett and is very well kept. Listed in April 1989 by Mr. and Mrs. Leister E. Presley and prepared for the Internet in May 2000 by Bonnie Langston and Marcella Pry, then updated in June 2000 by Gerald Torrence for the White County Historical Society. It was updated again by Leroy Blair of the Historical Society in August 2001 and late 2002.

Blair went over the Kensett Cemetery two times and was unable to find the following graves which were on the existing list: Baby September 3, 1927, Carl Garson Baughn, Patrick Bevins, Thomas J. Most of the cemetery information listed was collected by Leroy "Lee" Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office on the square in Searcy. WCHS P. O. Box 537 Searcy, Ark. 72145.

If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at lblblair74@gmail.com or wchs1962@gmail.com

I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.

There are some graves listed as unmarked that may have had a tombstone set since the listing was made.

I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered

The following Abbreviations are used in the listings.

FM-Funeral home marker DS-Double tombstone TS-Triple tombstone

(Obit)-means that the Historical Society has, or has access to the Obituary for this person.
