This cemetery was listed August 6, 2001, by Leroy Blair of the White County Historical Society who filed the following report: “I have known of this old cemetery for several years. It is located on Highway 337 about two miles southeast of the intersection of Highway 5/25 Bypass and Highway 337. It is on the right of the highway in a small clearing. It is fenced. When I prepared this listing, the cemetery had been recently mowed, probably with a bush hog, but was not cleaned around the graves. I found 11 old funeral home markers that are unreadable and 37 graves marked with rock with no information on them. There are probably 50 or more depressions in line with other graves that I believe are unmarked graves.”

The Steward/Stewart listings were added in February 2004 by Society member Scott Akridge, who reported they “were all in one small area of the cemetery.”

Most of the cemetery information listed was collected by Leroy “Lee” Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office on the square in Searcy. WCHS P. O. Box 537 Searcy, Ark. 72145.

If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at lblblair74@gmail.com or wchs1962@gmail.com

I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.

There are some graves listed as unmarked that may have had a tombstone set since the listing was made.

I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered

The following Abbreviations are used in the listings.

FM-Funeral home marker DS-Double tombstone TS-Triple tombstone

(Obit)-means that the Historical Society has, or has access to the Obituary for this person.
