This cemetery is located just off Highway 36 at Joy. The Mt. Hebron records had not been updated in 30 years when the cemetery was visited March 8, 2000, by Tommy H. Treadway of the White County Historical Society. He utilized the original list prepared May 12, 1970, by Cloie Presley of the Historical Society and made 188 additions and a few adjustments based on what he read on the headstones. Both Mrs. Presley and Treadway described the cemetery as "well kept." He reported finding headstones marking early burials that were not on Presley's list, and concluded the stones had been added in later years by relatives. The list was updated again by Leroy Blair of the Historical Society after he and his wife Ellen visited the cemetery May 23, 2001. Blair's report called the site "clean but not fenced." Following are his directions on how to find the cemetery: From Searcy take Highway 36 west to Joy. Turn left on Mount Hebron Church Road and go about 500 yards. The cemetery is on the left next to Mt. Hebron Church."

Blair visited the cemetery again on December 13, 2006, and compared all previous lists to what he was able to read on tombstones.

If you have corrections or additions to this list or other information on this Cemetery Contact the White County Historical Society, P.O. Box 537, Searcy, AR 72145. Or phone 501- 278- 5010

Most of the cemetery information listed was collected by Leroy “Lee” Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office on the square in Searcy. WCHS P. O. Box 537 Searcy, Ark. 72145.

If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at lblblair74@gmail.com or wchs1962@gmail.com

I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.

There are some graves listed as unmarked that may have had a tombstone set since the listing was made.

I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered

The following Abbreviations are used in the listings.

FM-Funeral home marker DS-Double tombstone TS-Triple tombstone

(Obit)-means that the Historical Society has, or has access to the Obituary for this person.
