This cemetery is located on El Paso Road approximately one-fourth mile from the intersection of Highways 305 and 31. It is north of the Floyd ballpark. The first listed burial was in 1989. Wayne Benton (501 796-2482) is the cemetery caretaker. This cemetery was surveyed on May 7, 2000, by Shelly and Wyatt Keech and Jerry and Teddy Wyatt for the White County Historical Society. It was updated May 14, 2001, and in late 2002 by Society member Leroy Blair. After visiting the site with his wife Ellen, Blair reported "This is a pretty cemetery located on a sloping hill. It has several concrete statues scattered over it, also several concrete birdbaths. It is fenced and very clean, approximately three acres in size."

Most of the cemetery information listed was collected by Leroy "Lee" Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office on the square in Searcy. WCHS P. O. Box 537 Searcy, Ark. 72145.

If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at lblblair74@gmail.com or wchs1962@gmail.com

I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.

There are some graves listed as unmarked that may have had a tombstone set since the listing was made.

I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered

The following Abbreviations are used in the listings.

FM-Funeral home marker DS-Double tombstone TS-Triple tombstone

(Obit)-means that the Historical Society has, or has access to the Obituary for this person.
