The cemetery is located north of the historic Oak Grove Cemetery separated only by a fence and a row of large trees. It was listed by Leroy Blair of the White County Historical Society after his visit in April 2001. Following are his directions on how to find it: "From downtown Searcy take North Main Street to Moore Street, turn right -(east) on Moore and go to North Oak Street. Turn left and go to Virgil Street. Turn right and Virgil will take you to the main entrance of Oaklawn Memorial Gardens. You can also access it by going through the main entrance of Oak Grove Cemetery off Moore Street. The two cemeteries are separated by a fence and a row of large trees running east and west to the woodline. Any graves on the north side of the fence and line of trees are in Oaklawn Memorial Gardens. The cemetery is very clean... There are 49 vaults in use in the mausoleum; they are included in this list. There are probably some unmarked graves in this cemetery."

If you have corrections or additions to this list or other information on this Cemetery Contact the White County Historical Society, P.O. Box 537, Searcy, AR 72145. Or phone 501- 278- 5010

Most of the cemetery information listed was collected by Leroy “Lee” Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office on the square in Searcy. WCHS P. O. Box 537 Searcy, Ark. 72145.

If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at lblblair74@gmail.com or wchs1962@gmail.com

I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.

There are some graves listed as unmarked that may have had a tombstone set since the listing was made.

I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered

The following Abbreviations are used in the listings.

FM-Funeral home marker DS-Double tombstone TS-Triple tombstone

(Obit)-means that the Historical Society has, or has access to the Obituary for this person.
