This is an old abandoned cemetery on Highway 157, north of Judsonia in Section 8, Township 8 North, Range 6 West. Surveyed in 1968 by Providence Extension Homemaker's Club and visited October 10, 2000, by Leroy Blair of the White County Historical Society. Following is Blair's report:

"I visited this cemetery with Mr. Roy Land, who owns the property where the cemetery is located. We went to it by going across a pasture field in back of his home at 1609 Highway 13 north of Judsonia. It was a half-mile or more from the house back into the woods. It is overgrown and hard to reach. There is a very large double stone, possibly marble, with Elijah Little and Lucinda Little on it. It appears to have been shot with a shotgun. Mr. Lang told me about the Littles settling in this area and how they came from down South with their slaves. There appears to be some unmarked graves but due to the overgrown area it is hard to tell for sure. They may be graves of the slaves."

Most of the cemetery information listed was collected by Leroy "Lee" Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office on the square in Searcy. WCHS P. O. Box 537 Searcy, Ark. 72145.

If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at lblblair74@gmail.com or wchs1962@gmail.com

I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.

There are some graves listed as unmarked that may have had a tombstone set since the listing was made.

I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered

The following Abbreviations are used in the listings.

FM-Funeral home marker DS-Double tombstone TS-Triple tombstone
