**Leroy Blair of the White County Historical Society visited the cemetery for the first time on**

**October 26, 2005, with Sammy Vaughan who lives on Smith Road nearby. He told Blair that he is related to J.H. Patterson, who is buried here. Vaughn said that he was told that there are five graves in the cemetery. Blair found the grave of J.H. Patterson, which is marked with a stone. He also found what appear to be three graves covered with stacked rock. He also observed a depression in the ground next to the Patterson grave. Sammy Vaughan is in the process of cleaning around the cemetery. When the cleanup is finished there more graves might be found.**

**This cemetery can also be reached by going down Smith Rd, to 339 Smith Rd. and turning left down a small lane to a house at the end of the lane. The cemetery is to the right of the house in the edge of the woods.**

**There are some graves listed as unmarked that may have had a tombstone set since the listing was made.**

**I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered**

**The following Abbreviations are used in the listings.**

**FM-Funeral home marker DS-Double tombstone TS-Triple tombstone**

**(Obit)-means that the Historical Society has, or has access to the Obituary for this person.**
