This cemetery is located on Highway 124 between the communities of Little Red and Sunnydale. It was listed March 24, 1981, by Mrs. and Mrs. Leister E. Presley and Linda Rowe of the White County Historical Society, who reported it had been neglected but in recent years had been mowed and several new stones added. It was prepared for the Internet in 1999 by Richard White. Additional information provided by Historical Society member Eloise (Brunson) Scroggins and her son John in April 2000, then updated with additional names and other information by Leroy Blair of the Society later that year. Blair visited the cemetery again on December 1, 2006, and when he updated the list he added row numbers. Row 1 is at the east end of the cemetery toward Sunnydale.

This cemetery is the final resting place for members of the James King family who were killed when a tornado hit their farm home at Little Red on April 7, 1903. The lone survivor was an 11-month-old boy, Paul King, whose story is recorded in "Orphan of the Storm" in the 2000 edition of White County Heritage published by the Historical Society. Donations for the upkeep of Philadelphia Cemetery may be sent to Ruby Capps, 4340 Highway 157, Judsonia, AR 72081.

Most of the cemetery information listed was collected by Leroy “Lee” Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office on the square in Searcy. WCHS P. O. Box 537 Searcy, Ark. 72145.

If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at lblblair74@gmail.com or wchs1962@gmail.com

I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.

There are some graves listed as unmarked that may have had a tombstone set since the listing was made.

I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered

The following Abbreviations are used in the listings.

FM-Funeral home marker DS-Double tombstone TS-Triple tombstone

(Obit)-means that the Historical Society has, or has access to the Obituary for this person.
