Point of contact for cemetery. No known contact personThis cemetery was listed for the White County Historical Society for the first time by Leroy Blair after he visited it January 8, 2003. It is located in Independence County north of Hickory Flat, just over

the county line. He recorded the cemetery after visiting nearby Mason Cemetery for the first time. To reach Pierce Cemetery, follow Blair's directions to Mason

Cemetery then continue past Mason about a quarter-mile to a low-water bridge that crosses Big Creek. The cemetery is on the right. Blair found it to be "very clean." There are 40 graves marked with field rocks with no information on them. A resident of the area, "Mr. Allgood," told Blair most of those graves are Pierces.

Blair provided the following directions to Mason Cemetery: "Take Hickory Flat Road north to Thomas Road and turn right; go to Armstrong Road then turn left (north). Armstrong Road will lead into Independence County. The road to the cemetery, I believe, is the first road that turns left after you cross the county line. The cemetery is located in back of a pump station. (There are so many small roads in that part of Independence County it is hard to give directions - would be best to ask some one who lives there how to get to the cemetery.)"

Most of the cemetery information listed was collected by Leroy “Lee” Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office on the square in Searcy. WCHS P. O. Box 537 Searcy, Ark. 72145.

If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at lblblair74@gmail.com or wchs1962@gmail.com

I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.

There are some graves listed as unmarked that may have had a tombstone set since the listing was made.

I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered

The following Abbreviations are used in the listings.

FM-Funeral home marker DS-Double tombstone TS-Triple tombstone

(Obit)-means that the Historical Society has, or has access to the Obituary for this person.
