Leroy Blair of the White County Historical Society found this old cemetery January 13, 2003, after receiving information from a resident of the area. The cemetery is located about a quarter-mile back in a pasture field across the road from 268 Pine Creek Road in Velvet Ridge.

**Following is Blair's report: "I did not find any graves with names on markers. But there appears to be about six marked with field stones. They are in a thicket that is so dense you cannot see. About 20 feet to the left there appears to be three graves covered with rocks. Between the two areas are some depressions that appear to be graves."**

**I have been told that this cemetery has been cleaned since I was there**

**If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at [lblblair74@gmail.com](mailto:lblblair74@gmail.com) or [wchs1962@gmail.com](mailto:wchs1962@gmail.com)**

**I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.**

**There are some graves listed as unmarked that may have had a tombstone set since the listing was made.**

**I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered**

**The following Abbreviations are used in the listings.**

**FM-Funeral home marker DS-Double tombstone TS-Triple tombstone**

**(Obit)-means that the Historical Society has, or has access to the Obituary for this person.**
