**Plant Cemetery is located northwest of Russell. Take Highway 367 North from Russell to Plant Road. Turn left and immediately on the left is a small dirt road. Take this road for one-quarter mile to a red brick home which is owned by Vernon Moore. Turn right up what appears to be an old logging road and go up the hill about one-quarter mile. You might have to walk. The cemetery, which is**

overgrown, is on the left. It was fenced with barbed wire and no gate when it was visited December 7, 2000, by Leroy Blair of the White County Historical Society.

Blair updated cemetery records prepared a few years earlier by Allene and Bill Plant. He found several headstones broken. A monument approximately six feet tall in the center of the cemetery contains the following names: P.E. Plant, J.W. Plant, T.E. Plant, S.E. Westmoreland, S.W. Meacham, Bettie Plant, G.C. Plant, W.M. Plant, H. Plant, J.T. Plant, T.F. Plant, L.F. Wood, J.M. Plant, N.E. Jackson, William Plant and ?? Plant.

**There are some graves listed as unmarked that may have had a tombstone set since the listing was made.**

**I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered**
