This cemetery is located on Highway 157 north from Judsonia. It was first listed in 1968 by the Providence Extension Homemakers Club and published that year by the White County Historical Society in its annual White County Heritage. In that list the gravesites were numbered and not alphabetical as they are here. The Homemakers described the cemetery as "well kept" and beside the Providence Church.

Providence Cemetery's records were updated by Historical Society member Leroy Blair after he visited the site several times in November 2000. He added 617 names and other new information to the list. Some are new graves, others graves with new stones. He found 122 graves that were marked only with rocks, 37 with funeral home markers that were no longer legible, 7 marked only with metal stakes or pipes, and 4 depressions that were not marked at all. He also found that 11 names on the original list were actually burials at the Owens/ Henson Cemetery about a half/ mile from Providence Cemetery.

Following is a list of known burials in this cemetery.

Most of the cemetery information listed was collected by Leroy “Lee” Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office on the square in Searcy. WCHS P. O. Box 537 Searcy, Ark. 72145.

If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at lblblair74@gmail.com or wchs1962@gmail.com

I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.

There are some graves listed as unmarked that may have had a tombstone set since the listing was made.

I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered

The following Abbreviations are used in the listings.

FM-Funeral home marker DS-Double tombstone TS-Triple tombstone

(Obit)-means that the Historical Society has, or has access to the Obituary for this person.
