To reach this cemetery, take Highway 36 to just west of Joy, turn left on Gravel Hill Road for approximately four miles to Romance Road. Turn left on Romance and continue approximately one-half mile. The cemetery is on the left. A listing was prepared by

Gerald Torrence for the White County Historical Society in September 2000. He found 51 rock markers with no information on them. It was visited October 25, 2000, by Leroy Blair of the Historical Society who reported it to be "very clean." Blair found several graves for several names that were not on the existing list. He also found the original stone for William Benjamin and Lucetta Quattlebaum discarded near the gate. It had been replaced with a new stone in 1990.

Most of the cemetery information listed was collected by Leroy “Lee” Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office on the square in Searcy. WCHS P. O. Box 537 Searcy, Ark. 72145.

If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at lblblair74@gmail.com or wchs1962@gmail.com

I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.

There are some graves listed as unmarked that may have had a tombstone set since the listing was made.

I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered

The following Abbreviations are used in the listings.

FM-Funeral home marker DS-Double tombstone TS-Triple tombstone

(Obit)-means that the Historical Society has, or has access to the Obituary for this person.
