This cemetery is located a half-mile south of Bradford and west of Highway 67 in Section 7, Township 9 North, Range 4 West. It was first listed in May 1968 by the Bradford Homemaker's Extension Club, then published by the White County Historical Society in its 1969 edition of *White County Heritage*.

The cemetery was visited January 3, 2001, by Leroy Blair of the White County Historical Society who found it "badly overgrown and damaged by vandals." The cemetery had not been used in the 32 years since the first listing, but Blair did find a broken stone of a

previously unlisted Riley infant boy who died August 21, 1904. He also found five graves marked by rocks, some 20 depressions that were probably unmarked graves and one grave marked with a funeral home marker so old it was no longer legible. He was unable to find the graves of Madolene Monroe or Maggie Stout, which were on the 1968 list. In August 2003, Laveda Steed of the historical society added the names of six people who are buried here in unmarked graves.

Blair provided the following directions for reaching Robb Cemetery: "To get to this cemetery from Bradford, take Highway 367 south to Fox Meadow Road about one-quarter mile from the Highway 87-367 intersection in Bradford. Turn right on Fox Meadow and go about 100 yards to the first road that turns left. Turn onto it and go about 50 yards to a metal gate. After you go through the gate you will see a pasture field that is on the right side of the road. Go about 100 yards down this road. The cemetery is in the woods at the end of the pasture field. There are a lot of stones damaged by vandals."

Most of the cemetery information listed was collected by Leroy "Lee" Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office on the square in Searcy. WCHS P. O. Box 537 Searcy, Ark. 72145.

If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at lblblair74@gmail.com or wchs1962@gmail.com

I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.

There are some graves listed as unmarked that may have had a tombstone set since the listing was made.

I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered

The following Abbreviations are used in the listings.

FM-Funeral home marker DS-Double tombstone TS-Triple tombstone

(Obit)-means that the Historical Society has, or has access to the Obituary for this person.
