At one time, Romance was a thriving little trade center with several stores, a cotton gin and other businesses. Today, the old buildings are gone or abandoned. Modern churches are nearby, a Masonic Lodge and a couple of antique stores on Highway 5. Kentucky pioneers settled in this area before the Civil War and the area was called Kentucky Valley. In 1884, a petition for a post office was approved but a name other than Kentucky Valley was required. According to local belief, J.J. Waters, a schoolteacher, was asked by fellow citizens to select a name. He chose Romance, explaining that the surrounding area seemed romantic to him. Romance Cemetery was first listed in 1969 by the Romance Homemaker's Extension Club. The number of unmarked graves was not listed. The aging list was updated by a team that worked on the project from May through October 2000. Involved were Wilma Saunders of Romance and her daughter Carol Witt of Judsonia and Carol's daughters Amber Witt and Angela Witt. The Witts had worked the year before on a similar project at Evergreen Cemetery in Judsonia. Romance Cemetery is located on Highway 31 about a mile east of the junction with Highway 5. It is beside the Romance Church of Christ and across the highway from the post office which was built in 1989. The old post office /store is now abandoned. The 2000 team reported the cemetery "appears to be well cared for." They found 181 graves marked with small stones painted white or other rocks. This list was updated by Leroy Blair of the White County Historical Society after he visited the cemetery September 11 and 12, 2001, then again in late 2002. He was unable to find the following graves which were on the original list: Viola S. Baird, William Borden, Benjamin Butler, Sampson Chamblee, Copeland, Estella Davis, C.L.G., Tommie C. Gill, James F. Gray, A.M. Gross, A.W. Gross, W.H. Gross, Herbert Healy, W.W. Hinson, A.H. Hooks, T.H. Hooks, Rhonda Johnson, Pearl Moses, Tillman McCandless, Orville Lee Newman, Bryon Pence, T. Potter,

T.W. Raney, B.F. Riggins, H.E. Rogers, Gracy Scott, Infant Scott, L.C. Taylor, Rodney Townsend, Harrett E. Ward, Ivan Wright. Subsequent additions have been made to this cemetery list by the Historical Society based on published obituaries.

Most of the cemetery information listed was collected by Leroy “Lee” Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office on the square in Searcy. WCHS P. O. Box 537 Searcy, Ark. 72145.

If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at lblblair74@gmail.com or wchs1962@gmail.com

I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.

There are some graves listed as unmarked that may have had a tombstone set since the listing was made.

I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered

The following Abbreviations are used in the listings.

FM-Funeral home marker DS-Double tombstone TS-Triple tombstone

(Obit)-means that the Historical Society has, or has access to the Obituary for this person.
