This cemetery is located about a mile west of Rose Bud on Highway 36. It was originally listed July 10, 1961, by Cloie and Leister Presley of the White County Historical Society. Almost 40 years later, on March 6, 2001, another Historical Society member visited the cemetery and updated the list. The following report was prepared by Leroy Blair who reported the site as a “nice, clean cemetery.” The Presleys found 27 unmarked graves. Blair found 143 graves marked only with stones, 3 marked only with concrete blocks, 2 marked only with bricks and 5 marked only with cans filled with cement. He was unable to find six graves that were listed in the 1961 census: Mary Maggie Evans, John Evans, James A. Evans, Rev. E.W. Norman, W.C. Romey, Mrs. Ora Romey. Subsequent additions have been made to this cemetery list by the Historical Society based on published obituaries.

Most of the cemetery information listed was collected by Leroy "Lee" Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office on the square in Searcy. WCHS P. O. Box 537 Searcy, Ark. 72145.

If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at lblblair74@gmail.com or wchs1962@gmail.com

I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.

There are some graves listed as unmarked that may have had a tombstone set since the listing was made.

I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered

The following Abbreviations are used in the listings.

FM-Funeral home marker DS-Double tombstone TS-Triple tombstone

(Obit)-means that the Historical Society has, or has access to the Obituary for this person.
