**I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.**

**There are some graves listed as unmarked that may have had a tombstone set since the listing was made.**

**I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered**

**The following Abbreviations are used in the listings.**

**FM-Funeral home marker DS-Double tombstone TS-Triple tombstone**

**(Obit)-means that the Historical Society has, or has access to the Obituary for this person.**
