This cemetery is located about a half-mile west of Walker. This community is approximately six miles south of Searcy. Coming from Searcy on Highway 11, the road makes a 90-degree turn east toward Griffithville. Turn right onto Lewis Lane and travel about a half-mile; the cemetery is on the right side of the road. (Claude Johnson, former president of the White County Historical Society, in his book "A Humorous History of White County," had a word of caution for travelers going to Griffithville. "It is best to start from Des Arc," he wrote, "as the road is not nearly as crooked as the one from Searcy. The road from Searcy has about 14 sharp curves in it, and is believed to have been laid off by a drunk man chasing a rattlesnake.")

George Walker, who came to this area shortly after the Civil War, donated the land for Walker Cemetery and is buried here.

A listing of burials was prepared in the summer of 1968 by William E. "Bill" Leach, who later became president of the White County Historical Society. His parents, William and Ina, who also served as presidents of the Historical Society, are both buried here. Bill Leach listed 120 graves and found 39 unmarked graves. Leach noted that "the remaining six rows of the cemetery is the Negro part (Southwest corner). There are 15 unmarked graves in the Negro part. Among the Negroes buried here are Sam Exum and his wife."

He also listed names of several people known to be buried in unmarked graves but had no birth or death dates. These unmarked graves are included in the list below. This cemetery may have been called Walker-Stewart Cemetery originally. Vanwinkle family records refer to an early burial in "Walker-Stewart Cemetery at Walkerville," however there is no stone for a Vanwinkle here.

Walker Cemetery was updated in March 2000 by Tommy H. Treadway of the White County Historical Society, a former postmaster at Searcy, who reported it to be "well maintained." .

WCHS member Leroy Blair visited the cemetery for the first time on October 19, 2000, and found it "nice and clean." He returned January 5, 2007"

Most of the cemetery information listed was collected by Leroy “Lee” Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office on the square in Searcy. WCHS P. O. Box 537 Searcy, Ark. 72145.

If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at lblblair74@gmail.com or wchs1962@gmail.com

I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.

There are some graves listed as unmarked that may have had a tombstone set since the listing was made.

I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered

The following Abbreviations are used in the listings.

FM-Funeral home marker DS-Double tombstone TS-Triple tombstone

(Obit)-means that the Historical Society has, or has access to the Obituary for this person.
