Point of contact for cemetery. Mayor of West Point

**This cemetery is located on Highway 36 between Kensett and West Point, on the banks of the Little Red River. It is shown on a 1936 map as being the “Riverside Cemetery.” In the middle 1900s, this site was so overgrown in some areas that it was difficult to find the graves of those buried here.**

**White County Historical Society member Anna Beth Redmond said her mother Anna Feltrop, wife of Frank Feltrop, went through the cemetery in 1960 and wrote down names from tombstones. She then contacted relatives of those buried here and asked for donations to have the cemetery cleaned. Several years later, the maintenance of the cemetery was turned over to the town of West Point.**

**This cemetery has been listed several times. The next listing was done by Mrs. W.C. Welch in 1963, a teacher at West Point High School, with the help of some of her students. Their list was published the following year by the Historical Society in its annual White County Heritage. Subsequent updates were prepared by the West Point Extension Homemakers Club July 16, 1968, by Leister and Cloie Presley of the Historical Society on May 5, 1990, and by Tommy H. Treadway of the Society on March 13, 2000.**

**Leroy Blair, who is the Society’s cemetery research director today, visited this site for the first time September 5 and 6, 2001.**

**Most of the cemetery information listed was collected by Leroy "Lee" Blair Former member of the White County Historical Society Board of Directors. Now working at the White County Historical Society office on the square in Searcy. WCHS P. O. Box 537 Searcy, Ark. 72145.**

**If you have any additions or corrections to the burial listing please contact the Historical Society. Phone 501-278-5010 or Email me at [lblblair74@gmail.com](mailto:lblblair74@gmail.com) or [wchs1962@gmail.com](mailto:wchs1962@gmail.com)**

**I will be posting more burials later. The Searcy Daily Citizen donated all their Micro Film and Ledgers dating back to 1953. After reviewing them, if I find a death of a person that we do not have I will to add to the cemetery listings.**

**There are some graves listed as unmarked that may have had a tombstone set since the listing was made.**

**I may have missed some graves when I prepared the listing. Some cemeteries are very hard to get an accurate listing due to how some graves are scattered**

**The following Abbreviations are used in the listings.**

**FM-Funeral home marker DS-Double tombstone TS-Triple tombstone**

**(Obit)-means that the Historical Society has, or has access to the Obituary for this person.**
